THE DEBTOR hereby warrants and declares it is an "Ens Legis", an incorporeal Corporate Fiction, and has rights and privileges recognized under the laws of the UNITED STATES, as has been the case since its creation in 1986.

Whereas, Secured Party is a living breathing flesh and blood homo-sapien; Secured Party is the initial source of origin, description, substance, sentient existence, exercise of faculties for labor and being the basis from which the existence of THE DEBTOR was derived, and the basis upon which THE DEBTOR is able to act as an agent to interact, contract, and exchange goods, services, obligations, and liabilities in commerce with other artificial entities, and is able to function as a transmitting utility through traffic; i.e. serving as a conduit for the transmission of goods, services, chattel property, and papers in commercial activity.

Accordingly, THE DEBTOR deems itself insecure, therefore in order to protect and secure its property, and rights THE DEBTOR hereby grants Secured Party a continuing, unconditional, and perfected security interest in, and lien on, any and all of the property, and rights held by THE DEBTOR, described generally herein and specifically on attached schedule(s), including but not limited to: (1) Security Agreement Item No. "#JHD03121987-CSA-123456789-SA" including without limitation to all the related documents therefrom; (2) "SCHEDULE A" along with; (3) any and all of THE DEBTOR's property including THE DEBTOR's name, all accounts, tangible and intangible property, chattel papers, and all the products, proceeds and assets that arise therefrom; as well as; (4) all of THE DEBTOR's income from every source and (5) all direct and indirect, absolute or contingent, due or to become due, now existing or hereafter arising, presumed or actual, and all oral or expressed indebtedness and liabilities held by THE DEBTOR, (collectively, "collateral" herein).

# COMMERCIAL SECURITY AGREEMENT

#JHD-031186-CSA-123456789-SA

In consideration to protect and secure Secured Party's security interest in the collateral including without limitation to all the products and proceeds that arise therefrom, THE DEBTOR and Secured Party hereby expressly warrants, covenants, and agrees, to the terms set forth herein this Security Agreement including but not limited to:

1. As its true and lawful "Attorney In Fact" and authorized representative, Secured Party is granted full power and authority to act as substitution for, and in the place and stead of THE DEBTOR with or without notice to, assent by, or consideration from THE DEBTOR for all intents and purposes to do all and every act and deed whatsoever requisite and necessary as THE DEBTOR might, or could do if actually present;
2. Secured Party, at their sole discretion, may act on behalf of THE DEBTOR whether in the name of THE DEBTOR or, in the name of Secured Party in any and all events whatsoever where the signature of THE DEBTOR is, has been, and will be required for the purpose of creating, establishing, modifying, and/or terminating any legal relation or transaction on terms that Secured Party deems requisite, necessary, and desirable to accomplish, between THE DEBTOR and any other person;
3. Secured Party, at their sole discretion, may amend, modify, reform, release, rescind, revoke, cancel, terminate, render void, and waive any benefit in any and all events whatsoever, where the signature of THE DEBTOR was, is, or has been required that Secured Party at their sole discretion considers disadvantages to the effectuation, perfection, protection, and/or enforcement of Secured Party's security interest;
4. Secured Party may provide the security payment from any of THE DEBTOR's account(s) for all sums due or owing, or to become due or owing, on any public and/or private contract entered by THE DEBTOR;
5. Secured Party may issue binding commitments to extend credit or to extend immediately available credit, whether or not drawn upon, and whether or not reimbursed in the event of difficulties in collection;
6. Secured Party reserves the right to make sufficient claims, in any and all cases whatsoever to secure their security interest in the collateral until such indebtedness is satisfied in whole;
7. THE DEBTOR shall provide all requisite support to Secured Party to protect Secured Party's interest in the collateral described herein; and
8. THE DEBTOR shall provide any and all legal means for the effectuation, perfection, preservation, and protection, of Secured Party's security interest in the collateral as established by this agreement, nunc pro tunc the creation of THE DEBTOR on or about 03/11/1986.

THE DEBTOR warrants that Secured Party's claim against the collateral is enforceable according to the terms and conditions expressed herein, and according to all applicable laws promulgated for the purpose of protecting the interests of a creditor against a debtor. THE DEBTOR also warrants that it holds good and marketable title to the collateral, free and clear of all actual and lawful liens and encumbrances except for the interest established herein, and except for such substantial interest as may have been privately established by agreement of the parties with full attention to the elements necessary to establish a valid contract in accordance with the Uniform Commercial Code and international contract law. Public encumbrances belonging to THE DEBTOR, against the collateral, shall remain secondary to this agreement, unless legally and lawfully registered prior to the registration of Secured Party's interest in the same collateral, as is well established in international commercial law.

THE DEBTOR expressly authorizes Secured Party to file such legal notices as Secured Party deems necessary to secure their interest in the collateral.

Execution of this Security Agreement incorporates a promise that THE DEBTOR will execute such commercial forms, including but not limited to such Financing Statements as may be necessary, to assure that Secured Party's interest is perfected. The security interest established by this agreement will continue until Secured Party is relieved of all liabilities associated with any and all services provided to THE DEBTOR, and until all owing and due consideration to Secured Party has been delivered, regardless of whether the collateral identified in this agreement is in the possession of THE DEBTOR or Secured Party.

## **SUBORDINATION OF THE DEBTOR'S DEBTS TO SECURED PARTY**

Providing Secured Party, perfects their security interest in the collateral by appropriate registration, and subsequent to the execution of this agreement, THE DEBTOR hereby expressly warrants, covenants, and agrees that THE DEBTOR's interest in the collateral

# COMMERCIAL SECURITY AGREEMENT

#JHD-031186-CSA-123456789-SA

will be subordinate to the security interest of Secured Party. THE DEBTOR further agrees that its indebtedness to Secured Party, whether now existing or hereafter created, shall have priority over all unregistered claims that may arise against THE DEBTOR or the collateral, whether or not THE DEBTOR becomes insolvent. THE DEBTOR hereby expressly subordinates any claim THE DEBTOR may have against Secured Party, upon any account whatsoever, to the claim Secured Party has or will have against THE DEBTOR. If Secured Party so requests, all notes or credit agreements now or hereafter established evidencing debts or obligations of THE DEBTOR to any third party shall be marked with a legend that the same are subject to this agreement and shall be delivered to Secured Party. THE DEBTOR agrees, and hereby authorizes Secured Party at the sole discretion of Secured Party, to execute and file any such financing statements and other commercial statements in THE DEBTOR's name, in order to perfect, preserve, enforce, and protect Secured Party's security interest in accordance with this agreement.

Accordingly, all of the collateral including the products and proceeds which arises therefrom, shall be held in trust for Secured Party and shall not be commingled with any other accounts or funds without the expressed written authorization, and consent of Secured Party. Except for inventory sold or accounts collected in the ordinary course of THE DEBTOR's public business, THE DEBTOR shall not sell, offer to sell, pledge, mortgage, encumber, transfer or dispose any of the collateral; nor to permit or cause the collateral to be subjected to any losses, costs, fines, liens, levies, interests, penalties, encumbrances, charges, or any other liabilities whatsoever other than the security interest established by this agreement, without the expressed written consent and authorization of Secured Party. THE DEBTOR shall immediately notify Secured Party of all events and/or transactions in relation to the collateral.

Possession of Collateral: "Collateral" or evidence of collateral may remain in the possession of THE DEBTOR, to be kept at any location approved by Secured Party. THE DEBTOR agrees that THE DEBTOR shall not remove or relocate any of the collateral from any approved location whether in whole, or in part except as is expected in the ordinary course of business including sale of inventory, exchange, and other approved reasons for removal. If it is necessary for THE DEBTOR to remove or relocate any of the collateral for any reason, THE DEBTOR shall give Secured Party prior notice of ten (10) days before removal or relocation. When in doubt as to the legal ramifications for use, removal or relocation of the collateral, THE DEBTOR agrees to acquire expressed written authorization from Secured party. THE DEBTOR may possess all tangible personal property included in the collateral, have beneficial use of any of the collateral, and may use it in any lawful manner consistent with this agreement. THE DEBTOR's right to possession and beneficial use may also apply to collateral that is in the possession of Secured Party if such possession is required by law to perfect Secured Party's interest in such collateral. If Secured Party, at any time, has possession of any part of the collateral, whether before or after an event of default, fault, or dishonor, Secured Party shall be

deemed to have exercised due care in the custody and preservation of the collateral.

Maintenance of Collateral: THE DEBTOR agrees to maintain all tangible collateral in good condition and repair, and shall not commit or permit damage or destruction to any of the collateral. In the event that the collateral be subject to any damage or destruction whatsoever, including but not limited to any losses, costs, fines, liens, levies, interests, penalties, encumbrances, charges, requests for credits, adjustments, returns, rejection, repossession, or any other liabilities whatsoever; THE DEBTOR agrees to indemnify and hold harmless Secured Party from any and all liabilities and/or loss. THE DEBTOR shall immediately notify Secured Party of any and all events which may affect the collateral or its value. Secured Party, and Secured Party's assigned representatives and agents shall have the right at any time to examine, inspect, and audit any of the collateral wherever located.

Compliance with Law: THE DEBTOR shall comply with all lawfully applicable public ordinances, and regulations of all properly authorized governmental authorities applicable to the production, disposition, or use of the collateral. THE DEBTOR may contest in good faith any statute, ordinance, regulation, or law without compliance during any proceeding, including appropriate appeals, only upon proof of valid claim, and so long as Secured Party's interest in the collateral, is secured from loss, and is not jeopardized. Secured Party may, at Secured Party's sole discretion, intervene in any situation that appears to place any of the collateral in jeopardy.

Public Disputes: THE DEBTOR agrees to pay all applicable taxes, assessments and liens upon the collateral when due, provided that such taxes, assessments and liens are proved to be superior to the lawful claim established by this agreement and subsequently perfected by Secured Party by appropriate registration. In the event, THE DEBTOR elects to dispute such taxes, assessments, and liens, Secured Party's interest must be protected at all times; at the sole discretion of Secured Party, who may, at their option, intervene in any situation that appears to jeopardize Secured Party's interest in the collateral. THE DEBTOR may elect to continue pursuit of a dispute of such taxes, assessments, and liens, only upon proof of valid claim and the production of a surety bond by the public claimant(s), in favor of Secured Party, sufficient to indemnify Secured Party from all costs and fees and any other liabilities which may arise from any dispute. All bonds shall be sufficient to cover all costs and fees associated with such dispute.

In the event that the public claimant(s) bond is insufficient to satisfy any of THE DEBTOR's alleged liabilities, resulting from a judgment against THE DEBTOR, THE DEBTOR agrees to satisfy each, every and all liabilities from its accounts established and managed by the UNITED STATES, or any of its subdivisions, agencies, representatives, agents, officers, or affiliates, so as not to adversely affect Secured Party's interest in the collateral.

No Voluntary Consent To Any Jurisdiction: THE DEBTOR shall NEVER voluntarily consent to enter into the Jurisdiction of any court or tribunal unless and until a living breathing flesh-and-blood homo-sapien "sets forth" "specific facts" which provides proof of a valid claim that he/she (1) has suffered or is about to suffer a concrete and particularized, "actual or imminent" injury in fact; (an invasion of a legally protected interest which is not conjectural or hypothetical); (2) with a causal nexus between the injury complained of to the challenged conduct of THE DEBTOR; (3) which is not the independent action of some third party not before the court; (4) which is "likely" as opposed to merely "speculative," that the injury will be "redressed by a favorable decision." Secured Party may, at Secured Party's sole discretion, intervene in any situation that appears to place any of the collateral in jeopardy.

## DEFAULT, FAULT, OR DISHONOR

The following shall constitute Event(s) of default, fault, or dishonor herein:

1. Failure by THE DEBTOR to pay Secured Party any secured debts when due;
2. Failure by THE DEBTOR to perform any secured obligation required to be performed;
3. Any breach by THE DEBTOR of any warranty contained in this agreement;

Acceleration: In the event of default, fault, or dishonor, Secured Party may declare the entire indebtedness, immediately due and payable without notice.

Liquidation Of Collateral: In the event of a default, fault, or dishonor, Secured Party shall have full power and authority to privately or publicly sell, lease, trade, transfer, rent, exchange, or otherwise deal with the collateral, and its proceeds and products

therefrom, in the name of Secured Party or in the name of THE DEBTOR. All expenses related to the liquidation of collateral shall become a part of THE DEBTOR's indebtedness.

Rights And Remedies: Secured Party shall have all the rights and remedies of a secured creditor in accordance with the provisions of the Uniform Commercial Code as it has been adopted in the State where part or all of the collateral is located or presumed to be located, including but not limited to, the right to proceed with self-help with or without a public court or tribunal. Rights and remedies available to Secured Party may be exercised singularly or jointly and in all venues and jurisdictions concurrently at the sole discretion of Secured Party.

Cure of Default, Fault, Or Dishonor: If a default, fault, or dishonor ("default" hereinafter) in accordance with this agreement is curable through an account held by THE DEBTOR, which is managed by the UNITED STATES, any of its subdivisions, agencies, representatives, agents, officers, or affiliates, such default may be cured by THE DEBTOR, with said account, or any account held by THE DEBTOR, and authorization from Secured Party; upon curation of the default no Event of default will have occurred. A default initiated by third party intervention shall not constitute a default if such intervention to challenge, confirm, or disprove the validity or reasonableness of a public claim is in good faith. In the event that it is necessary for THE DEBTOR, or an intervening party to challenge or dispute any third-party claims or action, against THE DEBTOR, or the collateral, THE DEBTOR shall be required to deposit a surety bond from any of its accounts to indemnify and hold harmless Secured Party from loss.

## INDEMNITY PROVISIONS
